

Delicious barbecue starts with quality meats and the freshest spices. SkippyP's combines both of these ingredients with the time honored Texas tradition of slow cooking over well-seasoned hardwoods. The result? Mouth watering, Texas style barbecue you just won't find at high volume restaurants.

Personalize Your Menu

SkippyP's can create the ideal menu for your event. Unlike most restaurants that cater, we don't have set pricing, which allows us to design a meal to meet almost any budget.

It is important to remember that the catered experience is not the same as a restaurant. Every customer receives personal attention; the food is practically doted upon. Since we do not mass produce our food, you will get a higher quality, more flavorful meal. One consequence of SkippyP's superior quality is that our prices are not always competitive with chain restaurants. We know that once you enjoy our fantastic BBQ you will understand the difference.

Great Main Dishes

While SkippyP's specializes in BBQ, our catering talents extend well beyond the pit. Here are just a few of the dishes we regularly prepare:

**Brisket • Ribs • Sausage • Chicken • Kolaches
Pulled Pork • Burgers & Hot Dogs
Steaks • Cajun Chops • Honey Hams • Fajitas**

Whole Briskets and Smoked Chickens – Great for a family meal!

Baby Back Ribs – Simply AWESOME. Whole or half racks available.

The Afternoon Nap - Texas sized baked potato with all the fixings. Topped with brisket, pork, or chicken.

Smoked or Fried Turkeys – Let us free your oven (and your time) during holidays! *(Fried turkeys are subject to seasonal availability)*

All orders come with BBQ sauce. Plates, eating utensils, bread or buns, peppers and onions are available upon request. Serving utensils are also available for a nominal charge.

Side Dishes

SkippyP's BBQ Beans – We start with a vegetarian bean base. Onions, peppers, & chopped brisket are added to give these a sweet, smoky flavor and a perfect spice.

Cheesy Potatoes – Baked potatoes are diced and combined with zesty cheese, garlic, and onions for a final baking.

Cole Slaw – A fresh blend of slaw vegetables in a creamy base. Made with Splenda brand sweetener instead of sugar (can be made with sugar).

Applesauce - Our homemade applesauce combines the perfect blend of apples and a dash of cinnamon. No added sugar!
(seasonal availability)

Other great sides from SkippyP's:

Potato Salad • Corn • Chips & Salsa

Delicious Desserts

Texas Sheet Cake – A lightly chocolate cake with rich cinnamon chocolate icing.

Vanilla Wafer Pudding – a BBQ staple!

Chocolate Chip Cookies - Big and gooey- better than homemade.

Peach Pineapple Dump Cake – Peaches and pineapple are combined in this scoop-able cake. A tasty, traditional treat!
